

**Science**

***Everyday Materials***  
We will be identifying and comparing different materials through our investigations.

***Seasonal Change***  
We will be revisiting seasonal changes by comparing and contrasting weather and day length across the four seasons.

**Maths**

We will be learning to multiply and divide and learning our 2, 5 and 10 times tables.

We will then be learning to tell the time before moving on to fractions at the end of term.

**Languages**

This term we will be learning colours and numbers in French.

**Music**

***Recorder lessons with Mrs Miller!***

**Year 2 Curriculum Map Term 3 2023**

**Can you overcome adversity?**  
*Adversity, Segregation, Wealth*

**English**

In English this term we are writing non-chronological reports linked to our work on Polar Bears.

We will then be exploring Samson's Titanic Journey before writing our own tales.

We will continue to ensure we use full stops, capital letters and question marks correctly to demarcate our sentences.

**Computing**

This term we will be learning all about programming and creating robot algorithms.

**PE**

***Dance***

This term we will be learning a dance routine called After-Dark - Thriller! We hope to perform it to you!

**PSHE**

***Dreams and Goals***

We will be exploring how to set and achieve our goals! We will also be exploring how to overcome challenges and be more resilient!

**RE**

***How and why do we celebrate special and sacred times?***

We will be learning about the Jewish festival of Passover (Pesach) and the Muslim festival Eid-ul Fitr.

**Art**

This term we will be studying the work of Van Gogh. We will be creating our own versions of 'A Starry Night' using new materials and applying new techniques.

**History** ***The RMS Titanic***

We will be learning about what the Titanic was, what life was like on board for different passengers and the different causes that lead to the sinking of the ship. We will become historians by carefully looking at different sources of information.
