

Science

Everyday Materials

We will learn how to distinguish between an object and the material from which it is made. We will recognise and compare the uses of and the suitability of a variety of different materials by performing simple scientific tests. We will learn how to gather data and record it in a simple table or graph.

Maths

Numbers within 100: Read, write, represent, partition, compare and order numbers to 100.

Addition and subtraction of 2-digit numbers: Apply number bonds to add and subtract and represent and explain addition and subtraction of two 2-digit numbers.

Addition and subtraction word problems: Applying the skills of addition and subtraction to completing simple one-step word problems.

Music

Hands, Feet, Heart

We will learn to sing and perform a song, find the pulse and move our bodies.

Year 2 Curriculum Map Term 1 - 2023-2024

English

The Tiger who came to Tea

The children will enjoy sequencing the story and writing their own versions of the text with their own interesting characters.

Dogger

We will learn to write in role, design a lost poster and sequence the story.

Computing

IT around us

We will identify what information technology is and where it can be found around school and beyond. We will investigate how IT improves our world and how to keep safe whilst using it.

PE

Football

In PE we will be practicing our ball control skills and developing our teamwork.

PSHE

Being me in my world

We will be discussing feeling part of the class and school, develop class charter, rewards and consequences.

RE

Who is Jewish and what do they believe?

We will be exploring what objects are special to Jewish people and how they link to the Jewish way of life. We will also be learning about Shabbat and Hanukkah.

Art

Joan Miró

We will be exploring the Spanish artist Joan Miró and his different styles including magical realism, surrealism, relief printing and surrealist sculpture.

History

Could you be an explorer?

We will explore, discuss and compare the lives and achievements of the famous explorers, Neil Armstrong, Christopher Columbus, Amelia Earhart and Amy Johnson.
