The main entrance to School is on the Cranbrook Road in Benenden and they operate a one-way system. Sat navs will sometimes take you to the school exit on New Pond Road and can be confusing!</p> <p>At the barrier, buzz through to reception, they will let parents through. At the top of the drive turn left, drive past the Main Building and as the drive takes a turn to the right, you'll see a car park named Leelands to the left. They have asked for it to be cordoned off for our use only. It's not a particularly large parking area so if parents are able to double up for pick-up, that would be great. Please wait there, not wander around school, your children will be escorted to meet you.</p> <p>The Chemistry activity involves acids and chemical reactions, and students will be actively involved. The physics activity is building periscopes and looking at light etc.</p>		Group 1	Group 2	1.15- 1.45	Chemistry	Physics	1.45 – 2.15	Physics	Chemistry
